Levee Board Feud--Costello Has Hennessy Arrested

The faction feud between East Side Levee & Sanitary District trustees took a new turn Friday when a warrant was filed by Board President Daniel Costello charging that Trustee Thomas "Skip" Hennessy had threatened to kill him.

Hennessy, who appeared at East St. Louis police headquarters Friday afternoon in answer to the warrant, denied the charge as ridiculous and was freed on \$200 bond for a hearing next week.

Costello said he was told of the threat by two persons who heard it made last Thursday when Hennessy was at the Levee District garage in East St. Louis to check on the number of employees on the job. Hennessy said he found only about 40 to 100 workers could be found on their jobs.

Hennessy reported he also found a number of private boats stored in the district's East St. Louis garage. Removal of the boats was started on Friday.

House Doors Smeared
Shaving cream was smeared on the front and back doors of the home of St. Joseph, No. 3 Country Lane court, between 7 and 11 o'clock last night, according to a report made to Granite City police.

Parked Car Damaged
An auto belonging to Billy G. McFarland, 32, of 2329 Paul street, was damaged Saturday afternoon when it was parked on the lot at Bellemeade Village shopping center and was struck by a hit-run motorist.

NEW OFFICERS of the Tri-Cities Dry Cleaners Association were installed in ceremonies last week of the annual meeting. From left are Duward Cooley, immediate past president; Mrs. Marie Hampton, president; John Uzonoff, vice-president; George Valicoff, installing officer; Mrs. Faye Summers, secretary; and Joseph Newkirk, treasurer.

GC May Set Up Branches For Auto Sticker Sales

Branch offices in outlying areas of the city for sale of city auto stickers is under study by Granite City council members.

The proposal was made by Alderman Charles Meyer, who said it not only would end the long wait in line at the city hall when the 1961-62 stickers become due in May, but also would relieve congestion in the office of the clerk and treasurer as property taxes also are due about the same time.

The council approved Meyer's motion for the City Hall committee to study the matter and confer with City Clerk A. L. Stevens.

"The sale of city auto licenses is over 10,000 and it means that each auto owner must come to the city hall to buy a license, causing added traffic congestion, parking problems as well as a long wait in line for the individuals," Meyer pointed out.

A suggestion was made by Alderman Mrs. Gabrielle Bettine that perhaps an arrangement could be made for mail applications, and Stevens said a number of the annual sales are by mail. To date, 11,483 of the \$3 auto stickers have been sold for the 1960-61 fiscal year.

Meyer said that with the \$3,000 and more revenue from the city auto license sale, the city could well afford to set up a satisfactory service in several places where the wheel stickers could be purchased.

Six Teenagers Arrested After Fight in Venice

Venice police filed curfew violations against six youths after a reported fight in the vicinity of Market and State streets at 11:15 p. m. Sunday. Four reside in Brooklyn, one in West Madison and one in Eagle Park Acres.

Three were released to their parents to return for hearings Saturday, and three Brooklyn boys remained in custody today. All are teenagers. No injuries were reported, although one was being chased by the others with a tree limb when police intervened, they related.

Health Committee Meets

A meeting of the Chamber of Commerce health committee has been called to work to build curbing at the Elks lodge to discuss public health matters and to plan a program for the year.

It is expected that the group will report at the next Chamber directors' meeting on findings on water fluoridation, subject of an election in Granite City April 4.

and TV programs publicizing the Tri-Cities and the Chamber; Review and distribute Chamber publications as needed; Design a general information leaflet on the Tri-Cities; Answer written inquiries on the Tri-Cities area.

Retail Business Relations
committee, Jack Friedman and A. E. Michel, co-chairmen. Objective—To promote more retail trade in the Tri-Cities. Projects: Publicize the Tri-Cities area's strong retail points and correct weak ones; Continue to work to build confidence in the Tri-Cities area market by Better Business Bureau type activities; Continue and expand the Chamber's business solicitations control program; Provide retail members with benefits of Illinois Retail Merchants Association membership.

State Legislative committee
G. W. Hoelscher, chairman. Objective—To give the Tri-Cities Chamber members a greater voice in state government and to obtain favorable legislation for the Tri-Cities area. Projects: Study proposed legislation before the 1961 legislature that will affect the Tri-Cities area. Formulate policies on state matters. Advise members about pending legislation affecting them and tell them how and when to express their views to their representatives. Testify at legislative hearings as necessary.

Tax Study committee, G. W. Hoelscher and Harold F. Karandjoff, co-chairmen. Objective—To promote greater efficiency and economy in city and county government. Projects: Study proposed city, county and school budgets; Make any recommendations the Chamber may have on annual budget hearings; Work for tax assessment uniformity.

Transportation and Highway committee, A. W. Morris III, chairman. Objective—To improve the area's rail, water, truck and bus service. Also to promote better highway and street systems in the Tri-Cities area. Projects: Cooperate with the Tri-City Regional Port District Authority in its efforts to develop the Granite City harbor. Work with all carriers serving the area to help protect the area's best interests with regard to freight rates; Cooperate with Illinois, Madison county and city and street officials. Continue to support the allocation of funds for widening of 20th street and Namooki road; Continue to work for extending the river front highway; Urge the widening and improvement of Pontoon road from Namooki road to the point it intersects with the recently completed highway; support needed further interstate highway development in the area.

Full Time Mayor Job Pledged By Partney

A pledge to devote full time to the office of mayor was made Thursday evening by Fourth Ward Alderman Donald W. Partney, who told 140 volunteer workers, gathered for a dinner meeting at the YM-CAY, that he would turn over to his son, Donald Jr., the operation of his sheet metal business if elected to Granite City's top office on April 4.

Partney, 14 years an alderman, pointed out he has missed only two meetings in that time, while Mayor Davis has missed 20 sessions from 1957 through August 1960. He added that the mayor has missed more meetings when "hot issues" were to be discussed.

The candidate said he would be in the mayor's office every day and the door would be open to everyone. Partney stressed that he has had far greater experience in municipal affairs than any of his opponents.

He stressed his move for reelection, pointing out the administration was prepared to award a \$70,000 contract for repairs to the 20th street sewer line. The insistence, bids were sought and the project may cost little as \$47,000, the candidate said.

Partney criticized the administration for failing to submit detailed payroll reports, for paying \$8800-a-year and all salary rights for maintenance of the city dump and for hiring an out-of-town engineer, when there are qualified ones in the city.

"I will work closely with all taxing bodies pertaining to our city and not with them throughout the year. This is something that has never before been done. Operation of our city is costing each taxpayer when it is not given the attention it needs," he added.

Trattler's Remodeling Interior Of Store

Interior changes are being made at Trattler's Men's and Boy's Wear, 1326 Niedringhaus avenue, in following modern trends of store design, according to Daniel Linder, co-owner.

Linder said the shoe department will be enlarged, the boy's wear department expanded and departmental obstructions will be removed to bring about more "open selling and self-selection for customers."

Also, new fixtures and floor racks will be installed and more articles of clothing will be added. Backgrounds for display windows have been changed and wood paneling installed.

Work, which began a week ago, is expected to be completed within the next two weeks. The store had undergone extensive remodeling three years ago.

Elks Lodge Names Winners In Area Leadership Contest

An opportunity for national recognition is in prospect for two Granite City high school students who yesterday were named winners of the local phase of the "Elks Grand Lodge Youth Leadership Contest."

The local winners are Lawrence Andrew Diak, 17, son of Mr. and Mrs. Andrew Diak, 2608 Missouri avenue, and Miss Sue Ellen Werthe, 17, daughter of Mr. and Mrs. Herbert J. Werthe, 2900 Waterman avenue.

They were selected from a field of six contestants and are now eligible to compete in the Elks district contest early next month. The winners will advance to state and then to the national contest in which top awards will be \$1000 U.S. Savings Bonds. The two winners and other contestants were given recognition yesterday during a meeting at Elks Lodge 1063 by the exalted ruler, Ernest "Pat" Rich, and Paul Edmonds, chairman of the local lodge youth activity committee.

Second Place Winners
Placing second in the boys' division of the contest were How-

ard Helman, 16, son of Mr. and Mrs. Morris Helman, 2630 Cleveland blvd., and Maximilian Michael Prusak, 17, son of Mr. and Mrs. Max E. Prusak, 2232 Waterman.

Second place winners in the girls' division were Miss Betty Ann McCauley, 17, daughter of Mr. and Mrs. Lawrence McCauley, 2737 Grand avenue, and Miss Patricia Sexton, 16, daughter of Mr. and Mrs. Forest E. Sexton, 2947 Marshall avenue.

Top local winners were presented with \$25 U.S. Savings Bonds, while \$10 awards went to the four second place winners.

Edmonds explained each contestant submitted a brochure containing biographies, essays and letters of recommendation. Judging was on the basis of leadership, citizenship, perseverance and resourcefulness, neatness and arrangement and compliance with instruction on the application.

Competition was limited to high school students and the local winners will compete with winners from three other Elks Lodges in the district at Belleville, Litchfield and Carlinville.

Gulley Renamed Top Officer Of ESMA

Lyle F. Gulley was re-elected to his third term as president of the East Side Manufacturers' Association during a board session which preceded a regular monthly membership meeting Friday evening at the Missouri Athletic Club.

Gulley is vice-president in charge of manufacturing at Granite City Steel Co. Also re-elected was A. A. Schweighauser as vice president, and H. H. Lyon was named treasurer to succeed R. O. Tibbels. Schweighauser is director of industrial relations for Laclede Steel Co., and Lyon is manager of the magnesium division of Dow Metal Products Co.

New directors elected were A. F. Steinhouser, new works manager at American Steel Foundries, and Nicholas Brink, new manager of A. O. Smith Corp.

\$16,000,000 Insurance Dividends For Ill. Vets

Illinois economy will get a two to five day pay processing insurance dividend shot-in-the-arm before the end of March, maybe sooner.

John S. Gleason Jr. of Chicago, the new administrator of Veterans Affairs, revealed this in a new accelerated schedule devised to comply with President Kennedy's directive for immediate payment of the 1961 dividend. Nationwide payments totaling more than a quarter of a billion dollars to some five million veterans normally extend throughout the year.

However, Gleason facing his first major task in office, has stepped up payments on the following schedule:

Totals For Illinois
Payment of \$54,000,000 to 1,200,000 veterans will be made at once.

Another 1,300,000 checks totaling \$50,000,000 will be authorized by March 4, and the remaining 3,000,000 checks, worth \$145,000,000 will go to the Treasury by March 15. Disbursing

Madison, Venice City Filing Ending Today

Madison and Venice city filing periods will end at 4 p.m. today at the Venice city controller's office and at 4:20 p.m. today at the Madison controller's office.

As yet, no opposition to a Madison slate has been filed, although several potential aldermanic candidates have petitions in Venice, a complete ticket at an independent Third Ward candidate was filed.

JC's To Name Candidate For College Scholarship

The Granite City Junior Chamber of Commerce will select Wednesday a candidate for the \$1000 college scholarship to be given in May by the Illinois Jaycees in judgment at Chicago. The student will be selected from candidates representing state Jaycee organizations on the basis of academic record, extra-curricular activity, and civic achievement.

The scholarship is co-sponsored by a bottling company. Names of students are submitted to local Jaycee groups by high schools.

More School Petitions

An eighth set of petitions was issued late last week in the Granite City school district to a man whose name was not obtained. Two incumbents and a third candidate have filed for two school board positions.

300 Attend Church Fund Raising Dinner

More than 300 persons attended a fund-raising banquet sponsored by the Bethel African Methodist Episcopal Church, Venice, Friday night at Blair school. Mayor John E. Lee and nine councilmen also were present.

Purpose of the \$150 a plate dinner was to boost the building fund for further work on the new church, now under construction at Mercedia and Market streets.

Guest speaker was Prof. R. M. Miller, former principal of Lincoln of East St. Louis high school, who is now retired.

After introduction by Rev. Fred Oliver, pastor of the local church, Mayor Lee commended members of the church for efforts in undertaking the project. Miss Grouella Wright, in whose name the fund-raising project was named, presented a solo. There also were duets by the church choir group.

Master of ceremonies was John Haynes, Madison Fifth Ward alderman. Program chairman was Mrs. Georgia Sands.

City officials attending were William Florsolt, city clerk; Bernard Anderson, city treasurer; Wesley Edwards, police magistrate; Edward "Harry" Buente, First Ward alderman; Anthony "Hank" Sweitz, Second Ward alderman; William E. Griggs, Fourth Ward alderman; Oscar King, Fourth Ward alderman; Harry E. Hartman, city attorney; and Louis Ratliff, candidate for Third Ward alderman.

12 Degree Initiates From K. of C. Council

Twelve members of Knights of Columbus Council 1058 were initiated into the second and third degree of the Catholic laymen's organization during joint ceremonies held yesterday at the local K. of C. home.

They include Norman G. Alexander, Robert Kraus, R. A. Whittington, William A. Duke, Walter S. Satterstrom, Robert Fechte, Andrew Morsky, Ray Foret, Arnie Janek, John Kizman, Edward Boyer and Donald Brick.

Councils from Highland, Edwardsville and Wood River also participated in the ceremonies, which were conducted by an East St. Louis degree team. The evening meal was served to those attending following the ceremonies.

Excessive Engineering Fees Deprive City Of Other Benefits

We can see no reason for Granite City to spend excessive amounts on engineering fees or, for that matter, anything else. Yet a 7% to 12% fee schedule is proposed again in the 1961 street engineering contract. The prevailing rate of 5 1/2% to 10% endorsed by the Illinois Society of Professional Engineers and adopted by most municipalities in this area.

The issue is not one of cutting costs, but of not paying more than others find necessary for the same services. The cities of Madison and Venice, for example, have paid fees based on the state organization's recommended schedule for many years. Granite City also has, in the past.

In an election year, it seems particularly surprising that a contract calling for inflated fees is proposed; in fact, council members have been warned that all work on motor fuel tax-financed street projects will be halted if the agreement is delayed until the election.

The schedule of percentages may appear in fine print only, but discerning taxpayers are aware that the difference can amount to a sizeable sum over a year's time. Depending upon the extent of street improvements carried out, the saving from lower fees might be enough to help reduce the fire insurance rate to that paid in Madison and Venice. It certainly could be used for some tangible benefit—for the public, rather than the engineer.

Certain As The Changing Seasons, Local Taxing Cycle Begins Anew

Just as inevitably as the falling of leaves in autumn and the budding of flowers each spring, the taxing process proceeds through its yearly cycle. Property taxes will be collected again this spring and summer, as heralded by the completion of assessments on which new tax rates will be based.

Valuation of real and personal property was made by township assessors last summer, and objections were considered by the County Board of Review this month. After revisions have been finished, the county clerk's staff will add state railroad and capital stock figures and determine the assessment totals for each of 126 taxing districts in Madison county. Tax levies and bond requirements will be applied against these to arrive at the tax rate of each agency.

When books are completed at Edwardsville in April, activity will shift to each township for application of the rates to individual valuations, and for preparation of bills. Though the complicated procedure is not fully understood by many taxpayers, the general purpose becomes clear by June, with the collection of funds to operate cities, school districts, parks and other taxing bodies. By then, determination of assessments for the following year also will be well underway.

County Board Study May Lead To Eliminating Manual Vote Counting

The Madison county Board of Supervisors' decision to study feasibility of voting machines is the first move toward what could be an important step forward for local government.

We hope a thorough exploration can be made, for there are a number of factors that could reduce the net cost well below the apparent nec-

essary expenditure. Among these could be multiple usage—testing of county-owned machines in cities, schools and other municipal bodies for their elections, as well as using them for the county, state and national balloting conducted by the county.

Election officials have noted increasing difficulty in obtaining competent poll judges, in view of the fatigue resulting from supervising voting throughout the day and then remaining on duty for long hours to manually count lengthy and complicated ballots. While the poll officials are hard at work, anxious candidates and voters remain uninformed about the results. In contrast, voting machines afford automatic, accurate and instantaneous totals on all candidates, parties and proposals.

The machines no doubt would result in both advantages and disadvantages over the present system of paper ballots. The county study should prove enlightening in weighing these considerations, and the Press-Record will present information it has compiled on the subject prior to action by the board this summer.

Cooperation Between Cities Goal Of New Police Program

Surprising as it may seem, cooperation by such police departments as those of St. Louis and East St. Louis often has been non-existent as far as Quad-City area law enforcement officers are concerned. For unexplained reasons, suspicion rather than courtesy has been encountered by local officers, and joint efforts to solve crimes have not been possible much of the time.

For this reason, it is especially pleasing to note invitations by the St. Louis police chief to 30 neighboring departments in Illinois and Missouri cities. It is hoped to set up an area-wide program enabling crime scenes to be surrounded and suspects apprehended regardless of the location.

The proposal is a logical one, and we hope the meetings arranged to implement it will lead to a more effective working relationship.

Did you ever stop to think how bad the situation would be if everybody agreed with you?

Candidates Should Give More Than Lip Service In Support Of Local Businesses

Candidates for public office in a community ought to be interested in the welfare of that community's business institutions. They ought to be interested, first of all, because these institutions pay taxes and furnish local employment to people who pay still more taxes.

Selfishly, candidates also are expected to be interested in getting votes, not outside their communities but within them. Taking their business out of town certainly is not the way to win friends and influence voters; nor is it the way to help their community grow and produce the taxes to pay their salaries, if they are elected.

The Press-Record has not engaged in commercial printing for years, nor does it have any financial interest in anything except the newspaper, but we continue to be irked by those candidates who support businesses in other cities and yet want to be elected to public office and draw fat salaries here.

No man is so ignorant as the man who is supportive of them all the answers.

Official Explains Social Security Credit Program

"One question we hear a lot," says Ralph Brasher, district manager of the East St. Louis social security office, "is how much social security credit is needed for people to qualify for old-age or survivors benefits?"

The Social Security Act was changed in 1950 and the amount of work covered by the program needed by workers now reaching or past retirement age or who have died, is less than it was. Under the old law, the worker needed social security credit equal to one year of work for each two years after 1950 and before he died or reached retirement age.

The new law, however, specifies that this worker now needs social security credit equal to only one year for each three years after 1950 and up to the

year he reaches retirement age or dies. Under both the old and the new law, the social security credit needed can be earned any time after 1936—no one needs credit for more than 10 years of work, and a minimum of a year and a half of work under social security is always required.

Because of the new law, many people who have had their claims rejected because of lack of sufficient work credit, may now be eligible. For instance, all workers who reached retirement age (65 for men, 62 for women) before 1957 need credit for only 1 1/2 years of work under social security to be eligible. Under the old law, only people who reached retirement age before July 1954 could qualify with credit for only 1 1/2 years of work.

Hospital Coffee Shop To Open Wednesday

The new coffee shop at St. Elizabeth Hospital will begin operations at 8 a.m. Wednesday, as planned. Sister Stanisla, hospital administrator, said over the weekend.

The large refrigerator which had been stored in the new shop was removed Friday, necessitating additional painting, but this work will not hold up the opening, she said.

The shop, to be located in the older wing of the hospital, will be open from 8 a.m. to 8 p.m. daily and will at first serve limited items.

Later, more snack-bar type items will be added and a gift shop is planned. The operation is expected to be self-sufficient and will be staffed by Hospital Auxiliary members and "Pink Ladies," volunteer hospital workers.

GUEST MINISTER, Rev. Ralph E. Bureman, assistant editor of the Christian, national weekly publication of Christian Churches, who will conduct a series of special evangelistic services in March at Central Christian Church, 2020 Johnson road.

Revival Services At Christian Church

Special evangelistic services will be conducted at Central Christian Church, 2020 Johnson road, in March with Rev. Ralph E. Bureman, assistant editor of the Christian, national weekly publication of Christian churches, as guest minister.

Services will be held on Sunday evenings March 12 and March 19 and nightly from March 20-23 at 7:30 p.m. Rev. Bureman will also direct an evangelistic calling program scheduled for March 13-15.

A native of Kansas, Rev. Bureman attended Phillips University, Enid, Okla., where he received AB and BD degrees. He has served churches in Oklahoma and was for several years director of men's work and evangelism for the Oklahoma Christian Missionary Society before coming to St. Louis in 1959. During world war II, he was an Air Force chaplain.

Snow Causes Three Accidents On Bridges

Three separate car crashes occurred on slippery bridge pavements in Venice late Friday night. No arrests were made and no one was injured, police said. A car driven by Larry G. Webb, 19, of 2841 Iowa street, skidded on the ice on the east end of McKinley bridge, striking a guardrail. Damaged on Webb's east bound auto was the right front fender.

In a collision on the Broadway viaduct, a car driven by Everett Brown, 45, of 2807 Emme street, was sideswiped on the left side by an auto driven by George Burns, 66, of 2128 Cleveland Blvd. Police said Burns' auto skidded on the ice. Both cars were eastbound.

The Broadway viaduct was the scene of another crash involving an auto driven by Mrs. Doris Rose, 104 Abbott street, Venice, whose car struck the north curb causing front end damage to her eastbound car.

City Has \$257,000 General Fund Balance With 3 Months Remaining In Fiscal Year

If Granite City's general fund disbursements remain on a par with \$84,785 expenditures in January, the council may not have to dip into the parking meter or sales tax reserves to keep the city from going into the red during the three months remaining in the current fiscal year.

The comptroller and treasurer report for January shows the city has a \$257,364 balance in the 13 general fund accounts.

Disbursements during the nine-month period have averaged \$93,438, totaling \$840,751, but with the January disbursements nearly \$10,000 under the average, a continuation of current spending, coupled with a \$400,000 final tax settlement anticipated from the county, should stall any grabra from the reserve accounts.

The \$400,000 final tax settlement not only would be divided among the 15 general fund accounts, but also seven special accounts.

8 Accounts In Red

Actually, with nine months of the fiscal year now ended, the city financial report shows only

three general fund accounts in the red. However, several have small balances remaining, such as the fire department's \$406 balance on Jan. 31.

The saving factor is the \$92,332 balance in the excess commissions account, which represents the 2% commission received by the city last year for tax collections.

The city presently has a comfortable \$188,095 balance in its special sales tax account, part of which probably will be spent for the estimated \$50,000 repair bill for the 10th street bridge and a balance of \$48,748 in the parking meter special account.

A breakdown of the general fund accounts showing nine-month disbursement figures and Jan. 31 balance or deficits, in that order, follows:

Fire department, \$206,955 and \$406; water, \$10,634 and \$24,830; street department, \$187,552 and \$7,829; street lighting, \$41,312 and \$45,266; pumping station, \$75,753 and \$2,046 deficit; general government, \$82,819 and \$15,311 deficit; city hall, \$14,859 and \$9,780; police department,

\$171,128 and \$7,281; inspection department, \$11,540 and \$2,083; election, \$7,780 and a \$3,271 deficit; sanitation department, \$120,170 and \$4,928; interest and judgment, \$11,143 and \$3,264; dog catching, \$6,711 and \$4,292; contingent, \$6,053 and \$2,180; excess commissions, \$14,016 and \$92,332.

A similar breakdown for the special accounts follows:

Municipal retirement, \$29,111 and \$14,570; cash, bonds and \$220,671; parking meters, \$32,873 and \$48,748; police pension, \$13,820 and \$29,568; investment and a balance of \$2,731; fire pension, \$20,202 and \$15,000; investment and a balance of \$24,673; unclaimed rebate, none and \$6,538; civil defense, \$5,138 and a deficit of \$6,153; street extension sidewalk paving, none and \$1,091; Monroe street sidewalk paving, none and \$138; Edwardsville road sidewalk paving, none and \$532; special improvements, \$12,945 and none; motor fuel tax paving sections, \$108,750 and \$15,435.

Rates To Be Based On \$241,000,000 Valuation

Quad - City assessment on which this spring's tax rates will be based is likely to top \$241,000,000. It has become known with announcement of \$227,299,862 locally-set valuation, as determined by assessors and the Madison county Board of Review.

State-set railroad and capital stock assessments boosted last year's \$223,576,130 local total by \$14,427,437. The state listing for Madison county has been trimmed from \$37,904,057 to \$37,454,744, but the Quad-City change has not yet been determined.

Utilizing year-end railroad and capital stock figures, the new assessment totals would be \$146,228,800 in Granite City township, \$69,531,962 in Venice township and \$25,966,240 in Nameoki township, an aggregate of \$241,727,022.

Lot's Top \$100 Million

Disregarding the state-determined figures, locally-set valuation amounts to \$93,261,330 on personal property, up \$61,500, \$32,562,640 on lands, up \$13,730; \$101,136,933 on lots, up \$3,020,025; and \$278,680 on locally assessed railroad property, down \$800. The net change is an increase of \$3,723,655.

An analysis for Granite City township shows that Assessor Van Dee Cruse valued personal property at \$57,919,170 a year ago, with the figure reduced to \$57,681,020 by the Board of Review. This year, for the 1960 valuation, he listed \$57,715,263.

Lands were given as \$12,235,310 for 1959 and cut to \$12,228,010. This year, he listed \$12,400,450 and the board revised it to \$12,387,470.

Assessment on Granite City township lots was set at \$93,261,330 before being boosted to \$97,073,630 by the board last year. Now, Cruse has shown \$73,888,880, cut to \$73,386,760 by the board. Both the assessor and board were in agreement on \$12,945 and none; motor fuel tax paving sections, \$108,750 and \$15,435.

of \$224,100 both last year and this year.

Venice Township

A similar breakdown on valuations by Venice township Assessor Joseph W. Bergrath follows:

Personal property - 1959, \$28,849,250 by assessor changed to \$28,477,310; 1960, \$28,355,600 changed to \$28,296,265.

Lands - \$12,273,640 changed to \$12,263,000; 1960, \$12,266,740 changed to \$12,268,000.

Lots - 1959, \$21,836,380 revised to \$21,718,710; 1960, \$21,753,010 changed to \$21,726,810.

Local railroad - 1959, \$77,830 left at that amount; 1960, \$76,980 left at that amount.

Nameoki Changes

A listing of Nameoki Assessor Joseph Chan's figures and those of the Board of Review follows:

Personal property - 1959, \$7,233,770 reduced to \$7,071,500; 1960, \$7,355,880 changed to \$7,247,800.

Lands - 1959, \$7,919,500 changed to \$7,917,900; 1960, \$7,951,300 cut to \$7,937,170.

Lots - 1959, \$5,574,010 changed to \$5,565,550; 1960, \$5,040,195 changed to \$5,023,365.

Local railroad - 1959, \$180,170 altered to \$179,690; 1960, \$179,660 changed to \$179,500.

For the Quad-Cities, the assessors listed \$224,045,200 a year ago, reduced to \$223,576,130; 229,585 this year, the three assessors submitted valuations of \$228,044,160.

CUB PACK SIX BANQUET

Cub Pack Six, sponsored by the Concordia Ladies Aid, held its "blue and gold" pot luck dinner last week in the church basement. The colors were presented, and the Star Spangled Banner was sung by the group. Pastor Twietmeyer gave prayer.

Mrs. Vivian Newmann, Mrs. Rose Hahn and Mrs. Edna Moeller of the Ladies Aid helped serve the dinner. An Indian dance was presented by the players under the supervision of Donald Beck. Den One presented a "genius" doctor play. Den Two presented a medical genius play and Den Three presented "Froggy Went A-Courtin'."

Achievement awards went to Norman Gitchco, James Anderson, Jimmy Boda, Mark Twietmeyer, Mark Fuller, Danny Bula, Michael Boyd, Robert Clark, Dennis Cline and Larry Rapp. Displays for the genius theme were an altar and basketball court by Larry Rapp, baseball diamond by Michael Boyd, a church and football field by Bobby Clark and a boat by Dennis Cline.

Pastor Boda gave the closing prayer, and the closing hymn was "Abide With Me." Approximately 100 were present.

Mrs. Carrie E. Hickam, 74, of 2716 Nameoki road, was pronounced dead on arrival at St. Elizabeth Hospital at 8 a. m. Friday after she had been stricken at home with a heart attack.

The former Carrie Cripps, she had been in ill health for several years.

Born in Pomona, Ill., she had moved to Granite City in 1947 from Carbondale.

In Granite City, she had resided with her daughter, Miss Irene Hickam, a teacher at Central junior high school.

Other survivors include another daughter, Mrs. Alene Reeves, Granite City, a teacher at Coolidge junior high school; two sons, Berle, of DuQuoin and Merle Hickam, of Carbondale; two sisters, Mrs. Andrew Leitha Johnson of Murphysboro and Mrs. Walter (Dela) Smith of Cape Girardeau, Mo.

Services were held at 11 a. m. today at a Granite City funeral home, with burial at Sunset Hill Cemetery.

Crash On Ice Causes

Crash On Canal Bridge

A coating of ice at the Chain of Rocks canal bridge during a flurry of snow and rain in temperature caused an accident about 9:20 p. m. Friday on the east approach.

State troopers said the auto of Glenn A. Warfield, 16, of Rural Route One went out of control in the ice and was involved in an accident with an auto driven by Leon W. Waggoner, 27, of Kansas City, Mo. Both cars were traveling west. No injuries were listed.

2 Charges Filed Against

Motorist In Accident

Charges of leaving the scene of an accident and right-of-way violation were placed against Willie E. Hollis, 60, of 2317 Grand avenue, following an accident Friday evening in the 1300 block of Madison avenue. He was freed on bond.

Madison police said Hollis was driving north on Madison avenue and was involved in an accident with a southbound auto driven by William E. Salmon, 47, of 2000 Fifth street.

Crash On McCambridge

Involved in an accident Saturday morning at McCambridge avenue and Skeen streets were autos driven by Gene V. F. Kollertsen, 23, of 2444 Edison avenue, who was going south on McCambridge, and Norman Ray Sauer, 16, of 1648 Fourth street, who was traveling west on Skeen. No injuries were listed by Madison police.

Granite City Regional Tourney Begins Tonight

**Madison Plays at 8:30, Warriors
On Tuesday; Collinsville Favored**

Eight high school basketball teams, six of them members of the Southwestern conference, one representing the Midwestern loop and the eighth the winner of the Triad district meet for smaller schools, will begin a five-day battle for the coveted IHSA regional basketball tournament championship trophy and a trip to the Wood River sectional tonight at the Granite City senior high school gymnasium.

Most observers concede that Collinsville's mighty Kahoks, undefeated through 23 regular games and ranked No. 1 in the state for a greater portion of the season, have the horses to emerge as titlists.

SCORING CHAMPIONS in the Granite City park district Classic, Church and Senior Teenage basketball leagues this season are (left to right) Bob Miller of the Teachers and Clarence Hand of Friedman's, each of whom rimmed

Interest in the tournament's first session tonight is considerable, to put it mildly. Both Collinsville and Madison, figured to give the Kahoks the most trouble of any entry, will play this evening, and the session was a sellout by noon Friday.

Kahoks, Shells Open Tourney
Tonight's first game at 7 o'clock p.m. will see Collinsville (23-0) and Wood River (10-12) and Granite City (14-10) at 8:30. Edwardsville dropped the final seven games on its schedule, while Alton will also seek to end a losing streak which extends back five games. The Redbirds came close Friday night when they edged by Pinckneyville 76-74. The Tigers and Alton split a pair of conference games this season.

The same is true of Granite City and Wood River. The Warriors won by three points at home and lost by five in Wood River. They have the best record of any team in the lower bracket, but just who will come out of that division to face the upper bracket winner — likely to be Collinsville — remains a big question.

GC Plays Tuesday

Tuesday night's first round games are between Edwardsville (8-14) and Alton (12-11) at 7 p.m. and Collinsville (23-0) and Wood River (10-12) and Granite City (14-10) at 8:30. First-round pairings in the upper bracket will match teams which have not met each other during regular season play. At the other extreme, should Collinsville and Madison each win their first games in the upper bracket, they will meet for the fourth time this season on Wednesday night. Collinsville has won all three previous encounters with Madison.

Radio Station WKZZ of Alton (1570 kilocycles) will tape most of the regional action for re-broadcast.

Included are the Collinsville-Roxana contest Monday, to be heard at 8:30 p.m. Tuesday, the Alton-Edwardsville game on Tuesday, to be heard at 3:30 p.m. Wednesday, both semifinal contests, to be heard at 3:30 p.m. the day following each game, and the championship game Friday night, to be re-broadcast at 10:30 a.m. Saturday.

Season tickets for the Wood River sectional March 8-10 will be on sale during school hours on Tuesday and tomorrow at Wood River high school, and are priced at \$3 each.

Rams Win District Title — Again

It's getting to be a habit with Coach Stan Lynch and his Lincoln of Venice Rams — winning district titles, that is. Lincoln annexed its fifth straight crown Friday night in the finale of the Triad basketball meet for smaller schools by whipping the host Knights 80-74.

Apparently unimpressed by the Knights' 23-1 record, Lincoln overcame an eight-point second quarter deficit, roused back to a 32-32 halftime tie, and grabbed a lead it never surrendered early in the third period.

Neumann Scores 36
Dennis Neuman, Triad's 6-5 junior pivotman, put on a terrific offensive display which netted him 36 points, but didn't get the necessary help from his teammates in the shooting or rebounding departments, and Coach Mike Pahl saw dreams of a trip to the Granite City regional vanish quite suddenly as the Knights were beaten for the first time on their own floor this season.

Lincoln's Tommy Hall, displaying a soft touch jump shot, paced the Rams with 24 points, but it was the outcourt devilry of Little Earl Crawford and Charles Hatter which provided the Rams with the balance they needed.

Hatter kept Triad's defense honest by popping away most effectively from outside and Crawford evaded the ball time after time out front before Triad could set up one of its pattern plays.

He pilfered the sphere and drove in for an easy layup just before the end of the third quarter to give Lincoln its widest advantage at 56-45, then repeated that sleight of hand twice more in the final quarter to give Lincoln baskets it badly needed at the time.

Lynch threw a man-to-man defense against the Knights, who worked well against it in the first quarter and grabbed a 23-16 lead. Most of Triad's plays were aimed at shaking Neumann loose for a shot, and the big boy responded with 13 points in the first eight minutes.

Use One Defense
"The boys got things worked out though," Lynch said. He had considered switching to a zone defense, "but the boys would rather play it the other way."

Working for the percentage shot, Triad hit 27 of 49 attempts for a red hot 55.1 average. The buckets didn't come often enough however. Lincoln's better-shooter offense produced 31 field goals in 61 attempts for 50.8. The Rams also beat Triad to the boards, pulling down 31 rebounds compared to the Knights' 22.

The Rams used a semi-shell late in the game to protect their slim lead, forced Triad to commit costly fouls and sank eight of the last 10 free throws they shot.

Both clubs shot extremely well at the charity line. Triad making 20 of 23 and the Rams 18 of 23. Lincoln must face another team with a fine record tonight in the first round of the regional at here, Madison is 18-4.

The scoring: Lincoln—Tommy Hall 24, Charles Hatter 18, Earl Crawford 16, Bob Chavis 13, Henry Rice 12, Dennis Neumann 36, Mike McFarland 16, Wayne Giles 11, Bobby Freeman 8, D. Lewis 3, Lee Breckendorf 6.

Magazine Story By Joseph Wetton
Recalls Hunting With Fox Hounds

Joseph D. Wetton has not hunted for 25 years, but memories are still fresh of earlier days when he was in pursuit of fox hounds crying out in harmony as they raced across the foothills of Tennessee in search of the "aly one."

Wetton recently sat down to a typewriter and wrote an article recalling these and other experiences. The story wound up in a prominent position in Hunt's Horn magazine and has already acquired one letter of appreciation from a reader.

In charge of the Illinois Veterans' Commission office here, Wetton is an avid fan of the fox hunting sport, but cannot actively participate in the hunt because of a hip injury he suffered several years ago.

He recalls the time in his boyhood when a hunt went on for 14 hours before a crafty red fox was subdued by his hounds. The tireless hounds gave chase through brush, and over rugged terrain and heavily wooded areas. The crying of the hounds "in Lick Creek" would sweep across the blue grass ridge and fade out in Hurricane rain at a tempo unaccompanied in presentation of Faust's

Wetton's interest does not come by accident. His uncle was a master of fox hounds for an exclusive hunting club in England nearly a century ago and "some of his interest rubbed off on me," he reports.

In describing the hounds, Wetton said they are about the size of a bird dog and have great stamina. They are cousins to a well-bred English species.

Bowland Schlitz Closes Gap With Reverse Room Five

Granite City's Bowland Schlitz moved to within one-half game of a second-place tie in the Southern Illinois Bowling Proprietors Association Classic league Saturday night at the Cathedral lanes in Belleville.

Schlitz defeated host Carling Black Label 2-1, while Jeagles leading Alton Falstaff won 2-1 from second-place Collinsville. Schlitz remained four games back of the Falstaffs. O'Fallon was a 2-1 winner over Edwardsville and East St. Louis shut out East Alton.

Schlitz, with four rolling 600-plus series, grabbed team honors with 3048 pins. Reverse Room of Collinsville had the high single of 1000. Herman Bauer of Carling hit 662 and Bob Senje of Reverse 247 to pace individuals.

The Granite City entry has a showdown date with the Falstaffs next Saturday at 7 p.m. on the Bowl Haven lanes in Alton. Individual Schlitz totals: Jim Vrenick 626, Nick Lombardi 612, Jim Berry 607, Max Legate 604, and George Wolfe 559.

Madison Boosts Season Mark To 18-4 With Wind-Up 78-67 Victory Over BTHS Maroons

Madison's Trojans, staging a typical "Gangbusters" finish, closed out their regular basketball season Friday night at home with a 78-67 victory over Belleville Township high school.

It was the fifth straight win for Coach Earl McLean's team, its 13th in the last 14 games, and the 18th of the season to go with four losses.

The Trojans gave away about two inches in height per man to Jerry Turner's athletes, and coupled with floor mistakes and early defensive lapses, it resulted in a 31-30 lead for the Maroons at halftime.

But the Trojans stormed back in what has been their favorite portion of the ballgame — the second half — and after trailing by as many as six points in the third quarter were on top 51-48 by the end of the period.

Walker Buckets 32
Led by Ed Walker, who played a whole of a defensive game against taller opponents and found time to rim 32 points, and Ken Griggs, who was up to his usual ball-striking tricks on the court, Madison bombed the basket for 27 points in the final period to win going away.

Madison employed a full-court press most of the way, but the Maroons moved the ball well and found openings for easy layups in the first half, leading by as many as seven points in the second quarter.

Walker, who picked up his fourth foul late in the third quarter, was hitting as well as he has all season. The Maroons' first outcourt shooting artist, Bill Schlueter, matched him in point most of the way, totaling 25.

Barry Jackson, a bespectacled junior, who should be one of the outstanding players in the Southwestern conference next season, followed Schlueter with 14 points, and Don Freeman, although not hitting well, had 18 for Madison.

Outshoot Trojans
Belleville outshot Madison from the floor by five percentage points, but the Trojans had six more field goals and got off 17 more shots than did the visitors. The Maroons hit 62% of their free throws, Madison 70%.

Madison's regular season record stands at 18-4. Belleville, which might have

been looking past the Trojans to its traditional inter-city battle with Belleville Cathedral Saturday night, fell to 10-9 as the result of its loss.

Madison may be without the services of regular forward Charles Venarsky for regional competition, Venarsky, who did not play Friday, is suffering from a pulled muscle, suffered in last Tuesday's contest with Chokio.

The scoring: Madison — Ed Walker 32, Don Freeman 18, Dan Hrysko 13, Ken Griggs 8, Rick Gravelle 5, Shirley Bartoni 4, Bob Haynes 0; Belleville — Bill Schlueter 25, Barry Jackson 14, Frank Synek 11, Gunther Keitel 10, Randy Hinkle 5, Bob Bechtold 2, Ted Harvey 0, Ron Gurd 0.

SMITH WINS
Bill Smith of the Mexican AC knocked out Chuck Stewart of the South Broadway AC Thursday night at the Chase hotel in St. Louis to win the 135-pound sub-novice title in the St. Louis area Golden Gloves boxing tournament.

The only Granite City representative in the finals, Smith put Stewart away with 40 seconds elapsed in the third round of their title bout with a left hook and a follow-up straight right hand.

His showing in the finals earned Smith, a Granite City high school student, the "outstanding boxer" trophy in the sub-novice division.

The sub-novice titlist plans to step up to the novice division next year. He is trained and handled by Gene McGovern and Jack Bogosian of Granite City, who have claimed at least one Golden Gloves champion every year in which boys they sponsored have entered the St. Louis area competition.

Smith's knockout victory was the only one scored in 16 championship bouts in the sub-novice, novice and open divisions. Two TKOs were registered.

The sub-novice champion will appear on an amateur boxing program at the Latin Quarters here on March 3. The card is being arranged by McGovern and Bogosian.

Warriors Tie for Fourth at State Wrestling Meet

Taylor Is Runner-Up At 103 Pounds; Prep Title Won By Oaklawn Reavis

Making by far the strongest showing of any team outside the Chicago area, Granite City high school's wrestling squad finished in a tie for fourth place at the IHSAA state wrestling meet held in Champaign Friday and Saturday.

The Warriors of Coach Bill "Red" Schmitt totaled 25 team points, the same number as Waukegan, the only squad to defeat Granite City in dual meet competition this season.

The state title went to Reavis of Oaklawn with 51 points. Second was Niles, 34 points, and third was North Chicago, 26 points.

The Warriors did not win any individual titles, although Ernie Taylor came as close to one as is possible in the 103-pound class. Taylor was beaten in the finals by Dave Jackson of Reavis, 2-0.

Taylor Sets Victory Record
Taylor's three wins prior to the championship bout gave him a total of 30 victories during the season, an all-time individual record at GCHS. He lost one bout and tied one during the campaign just concluded.

Rick Ray, Waukegan's 154-pound champion, successfully defended the title to become the third prep wrestler in state history to win three state championships. He won the 145-pound title in 1959.

Absent from among the top 16 teams in the final standings was defending champion Leyden East. Finishing behind Granite City and Waukegan among the top 10 teams were Elgin, 22 points, Evanston 21, Morton 20, Thornton 20 and Proviso East 19.

Wood River 15th.
The only other downstate school to make a showing was Wood River, which tied for 15th with 14 points on the strength of Tony Kumannoff's second-place finish in the 133-pound class.

A technical violation which cost Granite City a quarterfinal victory and a referee's decision in a semi-final bout prevented the Warriors from finishing higher in the final standings, possibly as near the top as second place, Schmitt felt.

Felchlin Finishes Fourth
Buddy Felchlin of GCHS lost an overtime quarterfinal match 4-3 as the result of a violation and the wrestler who beat him was the eventual state champion at 127 pounds, Ron Semets of Carl Sandburg.

Felchlin advanced by beating Don Zernke of Sterling 3-1 in the first round, but lost to him and then won two consolation bouts, pinning Dick Novak of Morton in 1:58 and taking the 11-4 decision over John Holder of Highland Park.

He next lost a third-place match to Steve Galbreath of Thornton 4-2 to finish fourth in his weight and pick up important team points.

Cruise Beaten In Overtime
Bob Cruise of GCHS was a

hard luck loser. He advanced as far as the championship semifinals before being beaten in overtime by Ted Lincoln of Lockport, a match which had to be decided by the referee.

If he then lost another overtime bout in the consolation bracket to Dave Holan of Proviso East, 1-0.

Cruise recorded a 4-2 win over Steve Payash of East Moline in the first round, and then beat George McCreery of Palatine 2-0 en route to the semifinals.

All Are First-Round Winners
Each of the seven Warrior wrestlers in the tourney won their first-round match. Roger Bloodworth pinned Tom Muracka of Lane Tech in 3:34 of their first round match and then lost to Jim Dorsey of North Chicago 2-0 in the quarterfinals. Dorsey went on to win the 120-pound title.

In the consolation bracket, Bloodworth beat Tony Pearson of Danville, 4-2, and was defeated by Tom Heniff of Evergreen Park, 6-1.

Sam Pazzo pinned James Trubinger of Savannah in 2:53 in a first-round bout but lost his quarterfinal match to Arny Velez of Morton, 7-1.

Champ Decides Rulings
Heavyweight Bill Ridings also was the victim of an eventual state champion. After winning 5-0 over Mike Bullard of Pekin in the first round, Ridings lost to Don Jacobowitz of Downers Grove, 5-3.

Granite City last finished fourth in the state tournament in 1958. Schmitt's team was runner-up in the finals.

A pre-tourney favorite, if there was one from among Chicago area schools, was Waukegan. The school had beaten every team which finished in the top 10 this year in dual competition.

North Chicago, one point behind the Warriors in the final standings, was a Granite City dual meet victim early in the season.

A 9-1 RECORD during regular season play brought these members of the Modern Exterminators squad the championship in the Granite City park district Classic Basketball league. From left to right are Bob Page, Don Lyborger, Bob Ron, Scherman and Bob Dubnick.

Falcons Win Parochial Tourney, 48-29

Sacred Heart parochial school's basketball squad picked up its second tournament championship trophy of the season Saturday night in Staunton by defeating host team St. Michael's 48-29 in the final game.

The Falcons breezed to a 30-17 halftime lead which was never threatened. Their three victories in the tournament boosted the team's record to 27-2 for the season.

Sacred Heart's cheerleaders also came away with a first-place trophy awarded to the outstanding group of off-court boosters by tournament officials. Groups from St. Matthew's of Alton and St. Michael's were second and third, respectively.

St. Simon and Jude defeated St. Mary's of Litchfield for third place in the tournament in a game which preceded the championship contest.

Vince Debevoise paced Falcon scorers in the title contest with 14 points. Joe Hauptman followed with 12 and Bill Moran had nine. Sacred Heart outscored its tournament opponents 99-56 in the three games played.

The Falcons will play Southwest Kiwanis tomorrow night in a doubleheader for varsity and junior varsity teams at the Christian Hall, 21st and Russell streets, St. Louis. The first game will begin at 6:30.

Everybody on the Sacred Heart roster, plus the team mascot Sammy Bausch, five-year-old son of the coach, got into the parochial semifinal contest against St. Mary's of Litchfield Thursday night, which Sacred Heart won 56-25.

Bill Moran, who hit nine of 11 shots, paced the Falcons with 19 points. Sacred Heart led at half-time, 28-10, with the parochial school's varsity squad playing only the second and third quarters. St. Michael's of Staunton beat St. Simon and Jude of Illinois to advance to the finals.

Industrial Cage Title Is Won By GC Steel

Granite City Steel Co. seized upon the championship of the Y.M.C.A.'s Industrial Basketball league yesterday afternoon by defeating short-handed Granite City Trust and Savings Bank 81-53 on the Y.M.C.A. court here.

The Trust cagers, minus two regulars, who were not match for the Steelers, who opened up a 34-20 halftime gap and poured on the coal in the second half. The teams had been tied for first place going into the game.

A. O. Smith was awarded a 2-0 forfeit decision over winless Union Star and Refining Co. in another contest which had been scheduled for Sunday afternoon.

Bill Buchmuller rimmed 23 for the Steelers to take individual scoring honors. Don Williams of Trust Bank was close behind with 22. The Steel Co. also got double-figure efforts from Shep Smith with 14 points, Don Draper 12 and Jerry Wintgen 11.

Larry Wright scored 14 for Trust Bank, followed by Ed Mueller with 12. Both fouled out before the contest concluded.

Divers To Try New Sport: Underwater (Club) Hockey

There may be nothing new under the sun, but such is not the case under the water.

Six teams from the St. Louis Area Diving Council, including the Bubblemesters and Kingfish clubs from Granite City, have entered in the first underwater hockey matches to be played in the St. Louis area next Sunday.

The new sport, for experienced scuba divers only, consists of two six-man halves, with opposing teams alternating at defending the underwater goals.

Sunday's contests will be played at the Downtown Y.M.C.A., 1337 Locust street, St. Louis. They will be the first in a series of round-robin matches in competition for a trophy being offered by a sporting goods manufacturer.

Billikens, Celtics Win Cage Tourneys

The Billikens of the Midwest division Eastern league and the Celtics of the Bantam division Green loop won titles in separate one-day tournaments conducted for Granite City park district boys' basketball teams Saturday at Prather junior high school and the park district recreation center.

The Billikens downed the Midwest league Celtics in the final game of the Midwest tourney 12-9, and the Bantam loop Celtics were 21-5 winners over the Buckeyes in the final game of the Bantam tourney.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

When you go to the polls in November of next year, the chances are good that you will vote on at least one constitutional amendment—possibly the full limit of three changes.

No more than three changes to the Constitution can be voted on at any election.

At this early stage in the legislative session, it looks as if one or more of these four may make it:

1. A revenue amendment, which would give the state greater flexibility in getting its money. Much of the unfairness of our present tax structure is due to the out-dated revenue article in the present constitution. The result has been a heavy burden on the property tax and the sales tax.

2. A judicial amendment, which would permit greater flexibility and efficiency in the operation of our courts. The big fight on this one will be how you select the judges; that fight may well kill any chances it has of getting on the ballot. At the one-third of the members of the legislature are lawyers—and there are almost as many judges on selecting the judges as there are lawyers in the General Assembly.

3. An amendment to permit sheriffs and county treasurers to succeed themselves. This has been defeated twice; it may be presented again, but with just

one of the two offices included, in the hope that it would be acceptable, one step at a time.

4. An amendment to permit 18-year-olds to vote. Rep. Ed Schaefer of the House is the chief sponsor of the proposal. This time. Each year this measure goes before the voters, and one of these years it will be on the ballot. The odds are against it happening this session, but it might just break through this time.

The session in Springfield is barely underway, so that picture could change considerably in the coming months, but that's the way it looks right now.

Constitutional amendments need voter approval for any change.

To get on the ballot in November of next year, an amendment needs the favorable vote of two-thirds of the House and Senate. That isn't easy to achieve; most proposals for change are defeated because of this requirement.

There will also be a resolution for a constitutional convention, to completely redraft our state's basic document. If past experience is a key to the future, that proposal will be overwhelmingly defeated.

The reason you vote so frequently on changes in our state constitution is that Illinois is a good leader, and the constitution is a great many things. It is made sense when they were originally put there in 1870, but in 1961 some of these details are ridiculous.

A minor example is that the constitution states that a legislator may receive his salary and mileage, and no other allowance or emolument, directly or indirectly, for any purpose whatever, except the sum of fifty dollars per session to each member, which shall be in full for postage, stationery, newspapers and all other incidental expenses and perquisites. These other "incidental expenses and perquisites" include stenographic help at your place of residence and hotel expenses.

In 1870 this kind of a restriction alone far exceeds the fifty dollars which the constitution allows for all expenses.

That particular provision does not hamper the efficient operation of government, but it illustrates how provisions in an 1870 constitution can become out-dated and why you'll probably be voting for some constitutional changes in November of 1962.

AT PACK 91 MEETING

The February meeting of Cub Pack 91, sponsored by the Nameoki Presbyterian Church, was held in the cafeteria of Nameoki school Friday evening.

An unusual opening ceremony was given by cubs of Den Five who formed an "Alekia" circle. Alekia is the cub name for a good leader, and the cubs formed a circle with Cubmaster William B. Shepard at the center. The pledge of allegiance was led by the Webelos den.

An unusual opening ceremony was given by Den Three, with Mrs. Janet Underwood as leader, and the cubs, using hidden household gadgets, made sound effects. Shepard presented awards to Rickie Cardwell, Jim and John Rehagen, Gary Schmitt, Dennis McDonald and leaders, Omar Rank, Louis Causey, Floyd Bell, Lam Lamm, Mrs. Vera Pittman and Mrs. Dorothy Lybaugh.

Games were played by the cubs and adults under the direction of Victor Anderson and Harold Caldwell, and the attendance totem pole was presented to Mrs. Louis Anderson's den, Den One, for the second straight month.

Shepard announced that the annual "pinewood derby" will be held at the April pack meeting, and that the Granite City Trust and Savings Bank has given the pack a new fifty-star flag. The March theme will be on railroading, and the pack is going to Kirkwood, Mo., to visit the Museum of Transportation in the near future.

A check won by the pack for the third-place window display for Boy Scout Week was presented to the treasurer by Shepard and Kenny Cardwell.

Den Five closed the meeting with singing of "America the Beautiful," and refreshments were served by Mr. and Mrs. Roy Wilimzig in honor of the tenth birthday of their son, Bob. The Pack sang "Happy Birthday" as a candlelit cake was given to the surprised honoree.

COMBINED MEETING OF CHURCH CIRCLES

The Lydia and Naomi circles of the Nameoki Methodist church held a combined meeting Thursday afternoon at the home of Mrs. Harry Miller, 4712 Warlock avenue.

The devotions were led by Mrs. Eva Potter and Mrs. Lorraine Boushadow, and the program lesson on the Lord's prayer was given jointly by Mrs. Mary Long, Mrs. Fay Bess, Mrs. Lucille Russell, Mrs. Candy Kawula and Mrs. Pat Merz.

Mrs. Boushadow announced that the next meeting of the Lydia circle will meet March 23 at her home, 17 Nassau. The Naomi circle will gather March 9 at the home of Mrs. Ann Haley, 4203 Maryville road.

The hostesses, Mrs. Kawula and Mrs. Miller, served a dessert luncheon to Mrs. Potter.

TRAINING FOR LEADERS

A leaders' meeting was held Thursday evening at the Nameoki Presbyterian Church for the patrol and badge courses for Girl Scout and Brownie leaders. Twenty-six ladies attended.

Mrs. Wilma McQuinn instructed the leaders in the patrol course, and Mrs. Shirley Brown in the badge course. Mrs. Pat Welch taught a tenderfoot rank course.

Announcement was made of the coming Girl Scout cookie sale to be held in March. The sale was explained to the new leaders, along with the names in which the scouts earn their registration fee and equip the kitchen at Camp Lakota.

Refreshments of scout cookies were served by the day's hostesses.

Heart Sunday Drive Collections Net \$3244

Incomplete tabulations from yesterday's "Heart Sunday" house-to-house fund campaign show that \$3244 was collected by more than 700 volunteer workers in Granite City, Madison, Venice and Mitchell, according to Alex Duccini, local drive director.

With a number of pledges yet to be received, total collections are expected to exceed \$4000, Duccini said.

"Despite high unemployment which exists in this area, residents made a fine showing of support," he said.

Overall collections for the drive now total \$3308. A sum of \$284 of the amount was tallied from mail solicitation by professional business industries.

The drive Sunday was the final effort in the month-long campaign which ends Wednesday. Additional funds will come from coin-containers, not yet picked up from business places.

Funds from the overall drive will go to the national program for use in research, a portion of the money will be available for use at McKinley school, where a heart program is conducted.

Brother Dies

Funeral services were held this afternoon for David Taber, a brother of Mrs. Clara Wadlow, 2450 Benton street, who died early Saturday morning in Fresno, Calif., after a long illness. Interment was in Visalia, Calif.

Commissioners to Meet

Univah Boy Scout district commissioners will convene at 7 p.m. Thursday at the Dunbar school in Madison for the first of their March planning meeting.

Mrs. Boushadow, Mrs. Long, Mrs. Bess, Mrs. Russell, Mrs. Merz and son, Mark, Mrs. Lois West, daughter, Kathy, Mrs. Dorothy Wallace and Mrs. Jan Kohl and sister, Mrs. Marilee, former of Albia, Neb.

RETURN FROM HAWAIIAN VACATION

Mr. and Mrs. Courtland Lybarger, 1825 Primrose avenue, and their ten-year-old son, Jeff, returned Thursday from a month's vacation in California.

They were accompanied by their business and pleasure trip, with the first stop in Los Angeles. The Lybargers flew from Los Angeles to Honolulu on the island of Oahu and also visited the islands of Hawaii and Kauai.

They returned to their home, a boat and visited several cruises. One cruiser where they had lunch the previous week, erupted last Friday. When not sightseeing, they enjoyed surfboard riding, swimming and attended Hawaiian feasts.

BUBBLEMASTERS TO HOST ST. LOUIS AREA COUNCIL

The Bubblemaster Scuba Diving club will be host Thursday evening to the first meeting of the newly-formed St. Louis Area Scuba Council.

The meeting, to be held at the local YMCA at 7:30 p.m., will be the first regular meeting of the council, which is made up of six organizations: the Bubblemasters, Alton Masksters, St. Louis Scuba club, St. Louis Underwater Recovery Team and the Kingfish club of Granite City. Refreshments will be served after the meeting.

CHAIN OF PRAYER AT CENTRAL CHURCH

The Central Christian Church will hold a March 1 "chain of prayer." Plans are being made for the chapel to be appointed in a manner emphasizing prayer and meditation.

Some time is open from 2 a.m. to 4:30 p.m., and registration is being handled by the church office and Gene Sternberg.

Architect, Walks, Clocks Among GC School Topics

The decision on an architect in connection with plans for additional classrooms may be made by the Granite City school board at a semi-monthly meeting to-morrow evening.

In addition to Maryville school and possibly two rooms at Wilson school are planned.

The administration was instructed two weeks ago to submit three recommendations for an architectural firm, and board members have indicated a desire for a prompt start on the construction program, since they hope to have the new facilities ready by September.

The latest bond issue construction program, consisting of the Prather junior high school and Maryville, Wilson and Lake grade schools, was designed by Joseph D. Standish. The firm of Henry Gabriel and Sylvester Duergoff provided architectural services for construction of two new Granite City high schools.

Also for further study is a Wilson Park walkway proposal advanced by Park Board President Barry Loman last fall.

Park, Maryville Discussed

Spangler's Sept. 27 motion authorizing school district participation in blactop surfacing from the Benton street-Felling road area to the vicinity of Mieshaugh grade school died for lack of a second after it was stepped on by the school board.

At the time, Board Member Ernest H. Boushadow said, "If we're going to build walks, we ought to first build one from the Sikeston business district to the Maryville school," eliminating a bus run and reducing costs.

The plan calling for \$300 contributions from the park district, city and school district has been revived, with Secretary Edward Keszberg saying he was queried by Milton Allen of the park board, a portion of the plan as a "saving for the people" and Board Member Keszberg's endorsement.

Another pending topic is possible improvement of the clock system at Granite City high school. A recommendation is being prepared by Dr. Kaiser.

W. A. Brawley, Former Local Resident, Buried

Funeral services were held last week in Tahomah, Okla., for William Alexander Brawley, a former resident of Madison, who died Feb. 19 at Guyman Municipal Hospital, Guyman, Okla.

A resident of the Quad-City area for 30 years before he moved to Tahomah, Mr. Brawley had been in ill health for the past five years. He was employed in the open hearth department of Granite City Steel Corp. for 25 years, and was a veteran of world war I. He was 60 years of age.

Survivors are his wife, Eva Shaw Brawley; two sons, William of Hartford, Ill., and Nathan of New Mexico; three daughters, Mrs. Maxine Clark of Tahomah, Mrs. Arlene Hendricks of New Mexico and Mrs. Helen Kondruff of Brookfield, Wis.; four brothers, four sisters and his mother, Mrs. Janette Sartin of Fremont, Mo.

Public Hearings Planned For County Zoning Code

The proposed zoning ordinance for unincorporated areas of Madison county should be ready about May or June for presentation to the county board of supervisors for passage.

The preliminary ordinance, which is subject to revision, land use maps and proposed zoning maps already have been studied by the Madison County Regional Planning Commission and other interested groups; and public hearings are to be held in each of the 22 of the county's 24 townships which would be affected by the ordinance.

Granite City and Alton, both city-townships, have their own zoning measures.

The public hearings, at which anyone will be entitled to speak, are to be held in May or June just before the ordinance is presented to the county board for action.

In the meantime, interested groups are conferring for revision in accordance to county needs.

To conduct the public hearings and make recommendations regarding the ordinance, the county board is required under Illinois law to appoint a county planning commission consisting of not less than three or more than nine members who, after their work is finished, will disband.

Authority for Board Chairman Gus Haller to appoint such a commission was granted during a meeting of the county board in Edwardsville last week.

The county board, upon passage of the ordinance, will appoint a permanent five-member zoning board of appeals to hear appeals to be held in May or June just before the ordinance is presented to the county board for action.

The budget which covers the fiscal year of March 28, 1961, to March 28, 1962, will be the subject of a public hearing at 7 p.m. Tuesday, March 28. Final action will be taken by council at the annual town meeting at 2 p.m. April 4.

JUNIOR RA MEETING

The George Wheeler Junior Royal Ambassadors met Saturday at Second Baptist Church with David Newberry, ambassador-in-chief, in charge. The group completed its home mission study book and took part in a Bible quiz before working on flower vases. Prayers were given by Danny Penrod, Gary Wigger, Bob Lewis and David Newberry.

Also present were Eugene Dine, Kenneth Reeves, Marvin Miller, Ernest and Oscar Trooley and three visitors, Bruce Green, Junior Puckett and Ricki Smith.

BIRTHDAY PARTY

Betty Rains was honored Saturday evening with a party given by her parents, Mr. and Mrs. Adrian Rains, 2210 Dewey avenue, for her 17th birthday.

Present were Earlene Laswell, Earlene Cook, Jo Stacie Cook, Norma Jean Faink, Sue Warrhoff, Barbara Cox, Kathy Cox, Shirley Wolford and Peggy Hancock. Games were played and refreshments were served.

Mr. and Mrs. Bobby Young, 2817 Cayuga announce the birth of their second child, a son, born Sunday at St. Elizabeth Hospital. Weight 7 pounds, ten ounces. Named Randall Lee. He has a brother David, two years old.

Landwehrmiller Promoted By State Supt. Wilkins

George T. Wilkins, superintendent of public instruction, announced over the weekend the appointment of Harold J. Landwehrmiller as executive secretary of the State Teacher Certification Board. The vacancy was caused by the death last week of W. Aaron Brien, who held the position until that time.

Landwehrmiller, born in Maryville, attended Arkansas State College and Illinois State Normal University where he received his B. S. in Education in 1952. He received his master of education degree from the University of Illinois in 1959. He was a teacher and principal in the Roxana Community Unit School District from 1952 until July 1, 1959 when he joined Wilkins' staff as supervisor of teacher training in the Division of Teacher Certification. During Brien's illness he served as acting secretary of the certification board.

Landwehrmiller, with his wife Barbara and one child, now live in Springfield.

Three-Day-Old Son Of Graklanoffs Succumbs

Daniel P. Graklanoff, three-day-old son of Mr. and Mrs. Joseph Graklanoff, 1013 Madison avenue, Madison, died at 9:20 a.m. Saturday at Children's Hospital, St. Louis, of a heart defect.

The infant was taken to the St. Louis hospital shortly after he was born Wednesday morning at St. Elizabeth Hospital.

Surviving besides his parents are two brothers, Jerry and Michael; three sisters, Jean, JoAnne and Linda; and his grandparents, Mrs. Emma Graklanoff, Madison, and Mrs. Lena Ponce, Venice.

Funeral arrangements are given in the obituary column.

Driver Involved In 3-Car Accident Is Charged

A charge of following too closely was placed against Donald Ziegler, 19, of 710 Second street, Venice, who was involved in a three-car accident Saturday afternoon in the 2000 block of Madison avenue. He posted his driver's license as bond.

Police said Ziegler was traveling south and struck the rear of the auto of Hubert C. Garrett, 65, of Collinsville, knocking it into the rear of an auto driven by Kay Howard, 32, of 1717 Garfield avenue. The Garrett and Howard autos were stopped for a traffic light.

Chicken and Cabbage Wise Buys
Robust winter appetites will be well satisfied, and the budget-minded homemaker will find this interesting combination of economical foods a sure penny saver.

The new crop of cabbage now on the market offers inexpensive vitamins. The dark green wrapper leaves are contributors of Vitamin A, along with the high Vitamin C content of the whole head. Serve cabbage in many ways and count on one pound yielding six new servings or three cooked servings.

Pirate Gold Found By Diver Charles Delp

A two-pound piece of pirate gold was found by Charles Delp, Granite City's professional diver and treasure hunter, according to a letter received yesterday by Jack Ross, 2673 Washington avenue.

Ross, who had made a previous search with Delp, plans to join Delp soon in other dives. Delp's find was buried on a beach in the British West Indies on Grand Cayman Island, about 90 miles southwest of Cuba. A metal locator was used to find the gold, the going price of which is in the neighborhood of \$30 to \$35 per ounce.

His discovery also included some gold coins.

The beach is just beyond property Delp purchased three weeks ago, when he went to the island with his wife. Delp related in a letter that other gold is certain to be nearby and advised Ross to "pack your coffee bag" to go to the search, and to help find the much coveted copper chest of gold, also believed buried.

The trip was the third for Delp who has been a diver for 36 years. Last year he found two ancient Spanish galleons, and in 1959 he spotted on gold galleon but had no diving equipment.

He explained last year that 25% of the treasure or valuable cargo he finds will go to the British government.

His recent find was assayed by a dentist, who confirmed the find as "pirate gold."

William E. Springer Dies

William E. Springer, 79, of Alton, an uncle of Robert Springer, formerly of Granite City, died Friday at Wood River Township Hospital where he had been a patient for 20 days. Services were held at 2 p.m. today at an Alton funeral home, with burial at Upper Alton Cemetery.

Because of the scarcity of wild alligators, there are a number of farms where these animals are bred.

Miss Betty Champion, president of the GAA, opened the meeting by thanking mothers of the members for attending the annual event.

The banquet started with a flag presentation by Den Three. A pot luck dinner was held, with ham being the featured item.

Guests for the evening included Rev. Russell D. Olson, pastor of the First Methodist Church, Dennis Revelle, institutional representative, Mrs. Revelle, William Vaughn, Boy Scout leader, Assistant District Commissioner, and John Slay and Austin Lewis. The invocation was given by Rev. Olson.

MRS. SMITH HONORED ON 85TH BIRTHDAY

The Ladies Quilting Society of the First Methodist Church met Thursday morning at the church and quilted for some time, after which the group took a luncheon and birthday cake to the home of Mrs. Minnie Smith, who is confined to her home.

Mrs. Smith celebrated her 85th birthday in January, but the ladies club to wear and sickness were unable to visit her then. They presented her with a gift from the society, of which she is a member and quilted with them for a number of years.

Those attending were Mrs. Wilma Sackett, Mrs. Nova Sanders, Mrs. M. C. Frieles, Mrs. Belle Woodring, Mrs. Austin and grandson, Dennis, Mrs. Bonnie Robbins, Mrs. Ruth Roberts, Mrs. Nina Hooking, Mrs. Amanda Hill, Mrs. Minnie Martin and Mrs. Helen Cook.

Mrs. Sam Ayres, daughter of Mrs. Fred Ayres, took part in the birthday observance with the group. The ladies returned to the church to quilt during the afternoon.

State Capitol NEWS

Director Ralph Bradley of the Illinois Department of Agriculture last week announced the following appointments: F. I. "Lummy" Crum, Lincoln, to supervise state aid to county fairs; Richard Schneider, Metamora, superintendent of grain inspection; Richard Elliott, Galesburg, assistant superintendent of foods, dairies and standards; Robert B. Rogers, Carbondale, superintendent of the division of markets; Wayne O'Neil, Champaign, investigator for the Illinois state fair; Paul E. Prince, Springfield, labor foreman at the fair; William Jarvis, Maroa, supervisor of institutional farms; Edward G. Coleman, Springfield, technical advisor to the director.

Illinois farmers should be very selective of the seed they buy for spring sowing, Ralph Bradley, director of the Illinois Department of Agriculture, pointed out today.

Agriculture seed offered for sale in Illinois must carry a label showing the name of the crop, germination percentage, percentage of inert matter, and the total content of weed seeds. The seed is unusable if it contains any of the primary noxious weeds as listed in the Illinois seed law, or if it contains secondary noxious weed seed in excess of 1 per 1000 crop seeds.

Primary noxious weeds are Canada Thistle, perennial sowthistle, wild radish, wild mustard, Russian knapweed, field bindweed and Johnson grass.

Rabies is increasingly evident in Illinois, according to a report by the state Department of Public Health. Last year 84 laboratory-confirmed cases of animal rabies were reported from 36 counties in the state. A total of 2460 suspected heads were examined.

Two most unusual cases of rabies were described by Dr. Fatherree. One confirmed rabies case was that of a guinea pig, kept in a nursery school, that bit a small child. The mouse was diagnosed rabid.

Of the 84 confirmed cases of rabies in 1960, animals involved were 15 cats, nine dogs, 20 cattle, 31 skunks, three raccoons, six foxes, the field mouse and guinea pig.

Vaccination is the biological barrier between domestic animals and the large reservoir of rabies in wild life. Dr. Fatherree stressed the need for general and continuing vaccination of pets.

Attendance at county fairs during 1960 was 2,785,445, an increase of 196,438 over 1959.

Grounds and improvements at Illinois county fairs are valued at more than \$10 million.

Illinois' new meat and poultry inspection of processing plants not covered by the federal government certified more than 10 million pounds of meat and poultry products during January, the Illinois Department of Agriculture has reported. The inspection service is now installed in more than 100 plants. Some 500 additional plants have been issued licenses and provided with temporary inspection service.

Of the total of 3645 beds available in 26 tuberculosis sanatoria in the state, 990 beds are vacant, according to Dr. L. L. Fatherree, director of the Illinois Department of Public Health.

During 1960, there were 5564 admissions to these sanatoria for diagnosis and treatment, and 5709 discharges.

Prior to the development of modern techniques of chemotherapy and surgical procedures, the average length of stay in the sanatorium was about two years. Under present methods of treatment, the average stay has been reduced to nine months or less.

Department of Conservation officers reported that 525 deer were killed on Illinois highways in 1960.

Musick led his Venice Red Devil teamates in scoring with 15 points Friday, but Livingston proved too much for the local team as they went down to defeat 30-15 in the last home game of the season.

Teams in the conference will finish up the circuit with weekend, with Madison meeting East St. Louis and the Granite City team playing Madison, which clinched the conference title last weekend.

Sports 9-2 loop on the lost record. Granite City has 7-3, good for second place.

Preliminary work on the out-let sewer was started today with transfer of 35 men from the school WPA project. More men will be added next week when the program gets into full swing.

Enrollment for the second term at Granite City high school is 1351, the highest ever.

Mrs. William Buente entertained her bridge club Tuesday evening and two guests, Miss Billie Hart and Mrs. Mary Lindhorst were in attendance.

Club members who attended were Mrs. William Charbonnier, Mrs. Garland D. Lahr, Mrs. Robert Ruppel, Mrs. Edgar Schill and Miss Helen Dawson.

Miss Grace Elmore of Edison avenue entertained her club, the THIC Monday evening. Her guests were Mr. and Mrs. Emil Mueller, Mr. and Mrs. Eugene Baumberger, Mr. and Mrs. Otto Roman, Mr. and Mrs. Elmer Branding and Mr. and Mrs. Evan Griffith.

Two local women were elected to offices in the Southern Illinois Council of EPK's Erith auxiliary which met Sunday at Alton. Elected were Mrs. A. Rottman, treasurer and Mrs. S. Witt, guide.

Versatile New Vehicle Either Truck, Auto

The Scout, a new economy vehicle which can be adapted for use as an auto, pickup or panel truck, is currently on display at Brewer Motor Co., 2163 Madison avenue.

Offered in four-wheel or rear-wheel drive, standard equipment includes a three-passenger rear compartment with removable steel top, pickup body, fold-down windshield, removable floor glass, removable doors and has a four-cylinder engine.

Because of its versatile design, J. E. Brewer, local dealer pointed out, the vehicle can provide transportation for a wide variety of family, commercial, sporting and agricultural purposes.

Styling of the Scout features a low silhouette with loaded overall height of 67 inches for two-wheel drive models. The four-wheel drive is 68 inches high, loaded.

An optional item on the vehicle is a full-length one-piece steel top that encloses both driver compartment, and body.

The top has windows on both sides and rear for maximum visibility, and top and bottom hinged station wagon type tailgates.

Overall length of both models is 12 feet, 10 inches, with a 100 inch wheelbase. Width is 52 inches, providing space for three persons in the front seat. The engine is 90 horsepower.

Two Quad-Cities Lose Driving Privileges

Revocation of driving privileges for two local area residents for reason of driving while intoxicated was announced over the weekend at Springfield.

The revocations were for Pete Becerra, 1724 Poplar street, and Farris Ward, 1123 Douglas street, Madison.

County Fee Offices Show Net Gains

Net earnings of six Madison county fee offices for the half-year ending Nov. 30 totaled \$165,007 as shown by audited reports for the offices prepared last week.

The office of County Treasurer Daniel W. McGee showed the biggest "profit" for the period—\$36,508.

Excess fees for the other five offices, after payment of salaries and operating expenses were reported at \$36,456 for the office of County Clerk Miss Eulalia Holz, \$4116 for the office of Sheriff George Musso, \$5047 for circuit clerk's office in the final six months. Eugene Berghoff served as acting clerk, \$1213 for the office of Probate Clerk David Hill and \$14,862 for the office of Recorder of Deeds James F. Chapman.

All of the sums, with exception of \$10,000 of the county clerk's fee earnings retained to defray office expenses until new revenue will be available, have been turned in to the county officers' fund.

The audited report of Coroner Dr. W. W. Billings showed fee receipts of \$5121 and \$6098 expenses, leaving a deficiency for the six-month period of \$893 due as salary for the coroner. Added to the previous deficit of \$810, Sunbury avenue, at 7:15 p.m. Thursday was removed at St. Elizabeth Hospital. He was released after an examination of his lungs and throat.

Keith Curtis Member Of Operatic Chorus

Keith Curtis, son of Mr. and Mrs. Joseph Rainwater of 2937 Fortune drive, is a member of the St. Louis Civic Opera Association's 1961 season.

Headlined by such major operatic notables as Eleanor Steber, Licia Albanese, Kurt Baum and Brian Sullivan, the latter the next attraction in the Tri-City Community Concert Association series, the opera company will present four major works during its 1961 season in April and May.

Included are "Tosca" by Puccini, "Fidelio" by Beethoven, "Faust" by Gounod and Verdi's "Il Trovatore." They will be presented on successive Wednesday evenings at the Kiel Auditorium opera house in St. Louis, beginning April 12.

The chorus has been in rehearsal since last fall in preparation for the coming season. Curtis auditioned for the chorus in January. He is currently attending Southern Illinois University's Alton residence center, majoring in vocal music.

The association's 1961 program will mark the first time since world war II that St. Louis will be credited with an all-professional annual grand opera season.

Harold Gilcho, 13, son of Mr. and Mrs. Boris Gilcho, 3304 Nameoki road, sustained a fractured left arm while wrestling at the Coolidge junior high school gymnasium at 1 a.m. Friday. A cast was applied and he was released from St. Elizabeth Hospital.

A vitamin tablet which became lodged in the throat of three-year-old David George, son of Mr. and Mrs. Lee George, 3000 Sunbury avenue, at 7:15 p.m. Thursday was removed at St. Elizabeth Hospital. He was released after an examination of his lungs and throat.

GC Demo Club Against 2-Of-7 Levee Proposal

The Granite City Democratic Club is contacting State Sen. Morris and State Representatives Harris and Simon to oppose any support of a proposed bill that would empower the governor to add two trustees to the five-member East Side Levee and Sanitary district board.

The club has voted to fight any plan that would result in less than three members of a seven-member board or less than two of a five-member board residing in Madison county.

Representatives Simon, Harris and Smith last year endorsed a proposal to require at least two members of the bi-county district to come from this county. All five board members reside in St. Clair county.

However, the bill currently being urged at Springfield differs in that there would be only two of seven from this county. There have been charges and details that it is intended to add to the present minority faction on the board, which has developed a 2-3 political split.

The local club also has endorsed construction of a county juvenile home.

DEATH VALLEY is dry... your home is drier!

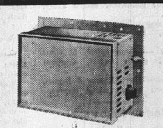

For health, comfort, fuel economy—get an **ELECTRIC HUMIDIFIER**

During the winter heating season it's the dryness that does the damage. In Death Valley the relative humidity is 23 per cent—but it drops to as low as 13 per cent in the average American home!

Not good. You "catch cold" too easily... feel chilly even when heat is turned way up. Furniture joints dry out.

Ordinary furnace humidifiers supply only a fraction of the moisture necessary. But a modern, automatic electric humidifier gives the heated air in your home plenty of healthful humidity—gallons a day if needed—without fuss or bother, and for sure. Talk it over with your heating contractor or your appliance dealer now.

ILLINOIS POWER COMPANY

Here's one of several sound, functional humidifier types that can be built into your present hot air furnace and do the job automatically electrically.

Calvary Baptist Church Scene Of Damotte-Fraley Nuptials

Altar baskets of white gladioli and pom poms decorated Calvary Baptist Church for the wedding Saturday evening of Miss Betty Fraley, a daughter of Mr. and Mrs. Sam Fraley, 3164 11th avenue, and Emilie E. Damotte, whose parents are Mr. and Mrs. Emilie Damotte, 2301 Missouri avenue.

Rev. Wilbert V. Snider officiated at the 7 o'clock ceremony. Lighted candles in branched candelabra illuminated the sanctuary.

The soloist, William Patterson, sang "Always." "Because" and the Lord's Prayer. Ronald Joyce was the organist.

Given in marriage by her father, the bride wore a gown of Chantilly lace over satin. Floor-length, it was designed with a subtle neckline outlined with pearls and sequins and long sleeves. The skirt, draped in front, was adorned with three white roses. A finger veil of tulle was attached to a crown of sequins and pearls and the bride held a cascade bouquet of white carnations, stephanotis, roses and heart ivy.

Mrs. Jerry Besserman, a sister of the bride, as matron of honor, Miss Marsha Hogan, a niece of the bridegroom, bridesmaid, and a junior maid, Lynn Fraley, a niece of the bride, were draped to the hems of the full length skirts. The gowns had scoop necklines and three-quarter length sleeves. All carried bouquets of white and green pom poms and small yellow daisies.

Janice Fraley, a niece of the bride, and Scott Loftus, the bridegroom's nephew, served as

flower girl and ringbearer. The former, dressed as a bride, carried a basket of rose petals. Wayne Bryant was best man for Mr. Damotte, and groomsmen and ushers included David West, Kelly Hogan, Bill Cress, Paul O'Master and Carl McDonald. The candles were lighted by Mary Courtney and Kay Gordy.

Both mothers were attired in navy blue with white orchid corsages. The wedding reception was held at the church, and the newlyweds left later for a wedding dinner. When they return they will reside in the Nameoki Trailer Court.

Both young people were graduated from the Granite City high school with the June 1959 class. The former Miss Fraley is employed by the Bank of St. Louis. Mr. Damotte, who is employed in the sales department of the Granite City Steel Co., studied at the East St. Louis and Alton Residence Centers of Southern Illinois University. He plans to enroll in September at Stephansville School of Mines and Metallurgy.

Eta Chapter Holds Meeting

A meeting of Eta Chapter of the Phi Tau Omega society was held Thursday evening in the bathsknack of the Elk's Club.

A patriotic tri-color theme was used in the appointments and 15 were present.

Miss McManaway Named President Of County YWA

Miss Nancy McManaway was elected president of the Young Women's Auxiliary, Madison County Baptist Association, at a quarterly banquet Thursday evening in the First Baptist Church of Madison. Her election followed the resignation of Miss Frances White of Granite City, who is to be married this spring.

Miss Nancy Setzer was elected secretary, the office Miss McManaway formerly held.

There were 45 seated at tables decorated in the YWA colors, green and white, and centered with white mums in green containers. The speaker's table held a floral arrangement of green and white in a crystal bowl, and behind the table was a large bouquet of white mums and lavender.

Miss Edna Stagner gave the invocation, and following the Mel Henry Ameling showed slides of past association YWA activities. Miss Denise Hagan led in the presentation of a white Bible to Miss Frances White and each girl lighted a small white candle as Miss McManaway sang "Bless This House." Mrs. George Sagen led in the prayer of dedication.

The principal speaker was Miss Mary Moore, social director of Missouri Baptist Hospital school of nursing and daughter of missionaries to Italy. Her subject was "Love... His Will."

QUESTIONS 100% ACCEPTANCE OF FLUORIDATION

Editor, Press-Record
2817 Delmar
Granite City, Ill.

Sir: Once again, through the newspaper editorial machine, we are reminded that the subject of water fluoridation is still gasping for a breath of community acceptance.

We must take issue with your expressed views, trusting that public spiritedness, not sensationalistic controversy, is your goal.

If it's true, as you state, that 100% of all recognized authorities endorse the utilization of sodium fluoride for human ingestion, I would like to see such endorsement in writing. Such endorsement to be made in the name of public interest, in much the same manner that our local Medical Society advertised their views and opinions on the For and Bill. I believe the gravity of the water fluoridation proposal warrants this much at least.

Of all the editorials that have been written on the subject of fluorides, I have yet to read where a truly authoritative research is identified by name and quoted verbatim. We have been subjected to ambiguous, superficial and meaningless soundbites. There lies the fallacy upon which the whole fluoride scheme is based. I submit that too many of the fluoride supporting statements, allegedly made by so-called authorities, are nothing more than harpings and minority of opinions voiced by other questionable "authorities."

Alonso J. Shadman, M.D., a well-known Boston Physician, is regarded by such eminent physicians as the Mayo Brothers and the late Harvey Cushing as one of the most outstanding physicians in the East. He states "After practicing curative medicine for forty years, I know how damaging to human health the constant dosing of very small amounts of this poison can be." "The action of this poison is slow and cumulative. If people are forced to take it into their

systems through drinking water, many will die, many will become chronic invalids, and no two will manifest their poisoning in exactly the same way. The doctor will be unable to diagnose and treat these cases successfully for they will be unfamiliar to him."

DONALD G. SPARKS,

Granite City, Ill.

SAYS FLUORIDATION IS 'PACIFICATION'
In the very near future the Granite City public shall be put in the position of voting for or against fluoridation in public drinking water. It is my opinion that the people in Granite City will not only be aware of the problem, but will achieve a sincere interest.

It is my opinion, based on the television program "Nation's Future" shown at 8:30 p.m., February 18, that fluoridation is not the answer to the end to which it is publicly being put before the people. On the evidence given on the above mentioned T.V. program, one can only conclude that the issue is a political means of achieving public backing. I believe it would do more harm than any possible good that may result in its application. In conclusion, I say the fluoridation issue is a means of pacifying the public, therefore the issue should be seen in the real light that it presents—fluoridation or pacification.

Sincerely yours,
TED W. MACIOS

Thompson told police he was showing the woman other merchandise when the ring was taken from a display. He said it was a 14-karat white gold with three diamonds.

He added that the woman was wearing a gray leather coat and gray skirt and had a large bracelet on her left arm.

Two Tires Slashed

Carl Wallace, 2538 East 28th street, reported to Granite City police yesterday afternoon that two tires on his car had been slashed while it was parked in the driveway at his home.

Bandit Trio Captured

(Continued from Page 1)

block of State fired three warning shots.

In reply, the trio's car made another quick left onto 16th street. Sgt. Pazio followed, firing two more warning shots. He decided it'd better save the remaining bullet, he said.

Going south on Madison avenue, the fleeing car turned right at 13th street and went over to Grand avenue, turning again on 12th and crossed Madison avenue.

"I lost them in the area of Greenwood street and went to call for help," the sergeant said.

Other police departments set up roadblocks, and the sheriff's office was summoned.

Stolen Car Confusion

A short time later a stolen car report went out from Granite City relating that a car had been stolen off a dealer's lot in the 1900 block of Madison avenue. No license number was available.

It was believed the trio had returned to Granite City and switched cars.

However, a suggestion was made to search the Cloverleaf area.

Deputy Thompson, who was in the area, joined Madison police. The car was found at Hillside and Alton avenues. No one in the area had seen it or had seen anyone walk away from it.

A decision was made to search a nearby tavern.

Deputy Thompson, who was in plainclothes, walked in and saw three men answering Pazio's description, seated at a table drinking beer.

No Guns Found

Knowing the trio had staged an armed robbery, Thompson left the tavern, returned with Sgt. Pazio and Knezevich. The capture was made without incident, and in a search, no guns were found. None was found in the car either.

The trio was booked at Madison police headquarters.

St. Louis authorities were notified, and the grocer and clerk visited Madison and made identification in the meantime.

Hereford identified his role in the holdup.

Sgt. Pazio complimented Hereford as being "an expert driver."

"He could really handle that car," the sergeant said.

The trio waived extradition.

And returning with them to St. Louis was the sack of groceries—a half-gallon of milk, five tangerines, two cans of green beans, two cans of tomato sauce, two cans of peas and a roll of toilet tissue.

Evening snack: arrange sandwiches on buttered toast and a thick covering of grated cheddar cheese. Broil until the cheese begins to melt. Garnish with strips of pimiento and serve hot.

Farm Column

By TRUMAN W. MAY

Good-quality roughage is still first in line as an economical source of feed nutrients for milk production.

Why? Because the poorer the hay, the more protein you will have to buy. If the milking herd is getting all the good-quality hay it can eat, you will need to add only 10 to 12% total protein in the grain mixture.

With legume hay and corn silage, you will need to boost the protein to 13 to 15%. And with all non-legume hay, you'll have to increase the protein to 15 to 18%.

Supplies of legume and grass seeds are about the same as they were a year ago and generally adequate for 1961 needs. Supplies of most kinds of alfalfa are smaller, however, since they are gradually reducing their use of rotation hay and pasture. Furthermore, substantial amounts of some kinds of legume and grass seeds will be exported to meet the needs, according to farm outlook specialists.

Producers interested in animal disease control is invited to attend a meeting at the Farm Bureau building, Edwardsville, the afternoon of March 2, at 7 p.m. Dr. J. R. Piekard of the College of Veterinary Medicine, University of Illinois, will speak on the prevention and treatment of diseases of cattle, hogs and other animals.

Top corn producers in the county 4-H club X-ray yield contest in 1960 were Larry Highland, with 129 bushels per acre; Eugene Highland, 125.2; Bruce Reid, Edwardsville, 124.4; Darwin Bonnenstiel, 123.9; Glen Edwards, Columbia, 105.7; and Gary Saly, Highland, 97.3 bu.

Farmers attending the farm building meeting last week will receive a booklet, "Farmers' Guide to the Construction of Farm Buildings," describing new types of plans and materials for constructing and re-modeling barns, sheds and other farm structures. Plans for many kinds of farm buildings and equipment are available at the farm adviser's office.

Damage to crops by weed control chemicals was discussed at the vegetable growers' school. The 2, 4-D and related compounds used as herbicides can cause considerable damage to agricultural plants. Two of the most susceptible plants are grapes and tomatoes.

Today there is wide-spread use of these herbicides by home owners, farmers, utility companies and road commissions. Hence, we receive many reports of damage caused by using the sprays too close to desirable plants as in the case, grapes, by the drift from use as much as one mile away from the plants. Injured grape leaves are, fan-shaped with noticeable yellow areas between the leaf veins. The fruit of injured vines usually ripens unevenly or fails to ripen at all.

The control of the injury lies in cooperation between neighbors and other parties using weed killers. Avoid spraying close to susceptible plants; spray on still days only to avoid drift; use a coarse spray and low pressure to avoid small droplets that drift for long distances; clean sprayers thoroughly after use or do not use the same sprayer to apply fungicides and insecticides. The Madison County Horticulturists' Association will hold an auction sale of purebred Hereford breeding cattle at the fairgrounds at Highland March 25.

An increase of 4212 cases of gonorrhea during 1960 in Illinois has been reported by Dr. L. L. Fattersee, director of the Department of Public Health. Last year 22,283 cases were recorded; 3083 occurring downstate and 19,725 in Chicago. During 1959 the state total was 18,596, of which 16,102 were in Chicago and 2494 downstate.

Sectional Speech Meet To Be Here

Over 200 students from 31 Southern Illinois high schools will compete Saturday in a sectional speech tournament at Granite City high school. Winners will advance to state competition at Urbana in April.

Those coming here qualified in district contests at Granite City, Duquoin and Effingham. There will be contests among debate teams, play teams and entrants in nine individual meets.

Traffic Ticket

Buddy Boucher, 27, of 925 Lee Avenue, Madison, was issued an arrest ticket at 30th street and Madison Avenue Sunday afternoon by Granite City police on a charge of careless driving. He posted his driver's license as bond.

Leaving Accident Scene Charge Is Filled

A charge of leaving the scene of an accident was filed last night against Mrs. Shirley A. Zumbarec, 23, of 1610 Sixth street, Madison, when she appeared at Granite City police headquarters about 11 p.m. to report an accident which occurred about 7:25 p.m. Police had received a report at 7:25 p.m. from Verlin Wadlow, 41, of 2561 Spaulding Avenue, that the left side of his auto was damaged while it was parked in the 2200 block of Madison Avenue. A witness gave police the license number of the other car. Mrs. Zumbarec was released on \$31 cash bail for a hearing today.

About 15 billion milk cartons are used annually in the United States.

Four Charges Filed

Four charges were placed against Paul Pace, 31, of 2222 Alexander street, Saturday afternoon by Granite City police. Pace, who was released Sunday on \$350 property bond, was charged with reckless driving, speeding, failing to observe a stop sign at Chestnut street and Niedringhaus Avenue and parking a motor vehicle on a sidewalk at 18th street and Cleveland.

Faces Conduct Charge

John Douglas, 18, of St. Louis, was arrested Saturday afternoon at the Belleme Village Tri-City Grocery on a charge of disorderly conduct. He was freed Sunday on \$11 cash bail.

Furnace Backflashes

An oil furnace backflashed about 10 p.m. Sunday at the frame home of Theodore Todoff, 2308 Benton street, and firemen from the downtown station went to the scene. Firemen said the fire was out when they arrived. No loss was reported.

Speeding Ticket

Margaret Trun, 27, of 3033 Willow Avenue, was issued an arrest ticket Thursday afternoon by Granite City police on a charge of speeding on St. Clair Avenue. She was released on \$11 cash bail.

There are 133 doctors and 56 dentists for every 100,000 persons in the United States, the Public Health Service reports.

INCREDIBLY STRONG... Tough, durable... no fibre can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon. Cumuloft nylon is a continuous filament textured yarn that retains nylon's full strength.

RICHLUX LUXURIOUS... You have to feel the lush depth underfoot! You have to see the rich surface... the fabulous new depth and clarity of color! Carpet of Cumuloft nylon is like no carpet you've ever owned. It has warmth, and softness that is unbelievable.

RESISTS FUZZING AND PILLING... Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pill up or fuzz. That's why carpet of Cumuloft nylon doesn't shed.

RESILIENT... Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more! The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

EASY TO CLEAN... Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whisk it off with the vacuum cleaner. Spills are no catastrophe either. Just spot clean with a detergent and water.

*Chemstrand's trademark for continuous filament textured nylon yarn.
